**VERSACAP TESTING FORM**

Email Back to: [sales@versatrim.com](mailto:sales@versatrim.com)  
or FAX BACK TO: (252) 430-8801

Testing takes approximately 2 weeks. We will test both profiles (Edge & Square) and inform you of the results.  
Provide your company contact information (at the top of the form) as well as the best way to contact the one who we call for approval.  
If the floor is from a manufacturer that we are partnered with, we are required to send them a 10 inch sample for approval.  
**Send 1 FULL BOX of material per floor tested.** All material will be used for testing purposes and will not be returned.  
*Contact your Sales Rep with tracking information once flooring is shipped.*

Planks must be at least 6" wide and no shorter than 24" long.

Customer is responsible for shipping the material to us.

Ship to: **Attn: VersaCap Testing**  
Versatrim, LLC  
101 Eastern Minerals Road  
Henderson, NC 27537

**VersaCap comes in 2 shapes: Edge & Square\***

**VersaCap Edge**

**VersaCap Square**

*\*Profile Shape Availability Depends on Floor Type.*

\*\*Since flooring thicknesses vary, to find the inside height dimension of your VersaCap, measure the thickness of your floor, multiply it by 2, and subtract it from the outside height.  
\*\*\*VersaCaps are produced in various lengths depending on the length of the actual floor. However, regardless of the floor length, the maximum length for VersaCaps is 46 inches.
