

# MOLDING ADHESIVE

*Early Grab, Fast-Curing Formula • High Strength, Waterproof • Extremely Low VOC*

## WARRANTY CERTIFICATE

### PERFORMANCE WARRANTY Molding Adhesive

Versatrim LLC (herein Versatrim) provides a 10-year limited adhesive bond warranty when Molding Adhesive is used for the interior installation of approved wall base products (see current technical data sheet for complete details). Molding Adhesive shall be free from manufacturing defect and will perform as designed when properly used.

The wall must be porous, clean and free of any contaminants. The installation must be performed following both the wall base manufacturer's and Versatrim's guidelines. For the latest product information and application instructions please visit [www.Versatrimadhesives.com](http://www.Versatrimadhesives.com).

If an installation failure occurs as a direct result of the use of defective Molding Adhesive, Versatrim will pay for equivalent base, replacement Molding Adhesive, and for reasonable labor costs to repair or replace the failed portion of the installation as determined by Versatrim at its sole discretion. This warranty applies only to the Molding Adhesive related bond failure. Versatrim cannot warrant those variables over which it has no control such as the quantity of Molding Adhesive used, the workmanship of the in-staller, the condition of the wall, the stability of the base and its suitability for installation on the affected job-site, or any other conditions that might affect the installation.

Versatrim reserves the right to inspect the cause for any claim as deemed necessary or this warranty is null & void. Any repairs done prior to inspection by a Versatrim representative voids any warranty. This warranty is non-transferable.
